About Us

Founded in 2025, AL-WASEET AL-DAWLIYA is a pioneering force in Education, Training, Rehabilitation, and Development, committed to shaping a future driven by knowledge, innovation, and sustainable growth. Through a diverse portfolio of programs, we empower individuals and organizations to excel across a variety of technical, professional, and administrative fields, adhering to both local and international standards. We are dedicated to fostering a skilled and adaptable workforce equipped with the expertise to thrive in an increasingly complex global market-place.

Our Mission:

Our mission is simple yet profound: to empower individuals and organizations through education, training, rehabilitation, and development. We believe in the transformative power of learning and aim to create opportunities for personal and professional growth, ensuring our participants are equipped to meet the challenges of the modern world. Whether you are seeking basic skills, advanced qualifications, or professional expertise, we are here to help you navigate your path to success.

Our Services:

1. Comprehensive Training and Qualification: AL-WASEET AL-DAWLIYA offers training programs in a wide range of technical, service, administrative, and professional fields. Our courses adhere to the highest local and international standards, ensuring that participants gain the skills and knowledge required to excel in their careers and meet the demands of today's global job market.

2. Human Development Programs: We specialize in conducting various human development programs that are recognized both locally and internationally. These programs are carefully crafted to enhance personal growth, improve leadership abilities, and equip individuals with the tools necessary to succeed in their professional lives.

3. Education Across All Levels: From basic to intermediate and higher education, AL-WASEET AL-DAWLIYA provides educational programs that cater to diverse learning needs. Our curriculum is designed to build a solid foundation in key disciplines, while also offering the opportunity to advance to higher levels of learning and specialization.

4. Innovation and Creativity Enhancement: We prioritize the enhancement of our participants' abilities to innovate. Through specialized training, we foster a mindset of creativity and problem-solving, helping individuals become forward-thinking professionals capable of tackling complex challenges.

5. Accredited Certifications: We recognize the importance of validating expertise, which is why we award accredited certificates for the experiences and competencies gained by our participants. Our certifications are respected locally and internationally, providing participants with a tangible acknowledgment of their hard work and expertise.

6. Professional Development and Networking: AL-WASEET AL-DAWLIYA is committed to enhancing the professional capabilities of our participants. We offer courses designed to expand professional networks, increase collaboration, and strengthen the ability to solve complex workplace problems, all while fostering an environment of continuous learning.

7. Methodological and Specialized Training Courses: We conduct methodological courses in administrative and professional work, including areas such as preservation, classification, indexing, and communication. Our training ensures that individuals are well-equipped to manage key processes in modern organizations.

8. IT and Computer Skills: We offer specialized courses focused on computer skills, covering everything from operating systems to advanced information technology training. Our programs help participants stay ahead of the technological curve, preparing them for the digital demands of today's world.

Our Services:

9. Language Training: Understanding the importance of effective communication, we provide courses in multiple languages, enhancing our participants' ability to engage with global audiences and broaden their career opportunities.

10. Tourism and MDWE Training: AL-WASEET AL-DAWLIYA also offers specialized courses in tourism and M.D.W.E. (Management, Development, and Work Experience), giving professionals the practical skills and knowledge needed to succeed in these dynamic sectors.

11. Workshops, Laboratories, and Conferences: To ensure hands-on learning, we establish workshops and laboratories for various fields of training. These immersive environments foster practical skill development, and we also organize conferences to bring together experts and professionals for knowledge sharing and networking.

12. Consulting Services: Our scientific, technical, and administrative consulting services are available both inside and outside of Libya. We provide tailored solutions to organizations seeking expert guidance to overcome challenges, enhance operations, and achieve their strategic objectives.
